Please Consider: 1) Your own choices, not friends. Negotiate with parents! 2) Plan for success & work towards it. 3) Keep as many doors open as possible, research courses, talk to teachers who have taught the subject to get information. 4) Take some things for experience & fun. 5) Choose your alternates carefully, hand in Option Sheet on time and pay your fee on-line.

Specifically Then: 1) Consider above information 2) Go over entire course calendar. 3) Make a list of all the courses you want. 4) Review and add / delete to produce final selections.

REQUIRED COURSES FOR AN ONTARIO SECONDARY SCHOOL DIPLOMA
